Pass: when & how

According to the law of May 31 (on the health crisis), the test or vaccination certificates must be presented at the entrance of an event of more than 1,000 people or to travel (including in Corsica and France Overseas).

For what concerns the health pass in France 🇫🇷 for events with more than 1,000 people, the following certificates are accepted:

👉 a complete vaccination certificate (all necessary doses) and completed more than 1 week ago for all vaccines, except Janssen/Johnson & Johnson for which it is 4 weeks.

👉 a negative test certificate (RT-PCR or antigen) of less than 48 hours

👉 a positive test certificate (RT-PCR or antigen), at least 11 days and less than 6 months old.

For travels and validity conditions of your health pass by country, more information on the following link 👇

The wallet: how does it work?

To digitalize your test and vaccination certificates and always have them at hand, it's simple:

👉 for your tests, you will receive a text message or an e-mail from SI-DEP platform with instructions.

👉 for your vaccination, you will have a QR Code to scan on your certificate. Since May 27th, you can get your vaccination certificates (including old ones) on https://attestation-vaccin.ameli.fr/
